Abstract of JP2003025791

PROBLEM TO BE SOLVED: To provide a pencil sharpener whose decoration can be rapidly and easily changed in response to a transition of a popularity, and which has a cover for preventing a stain or a damage of the decoration so that the cover may not disturb a changing work of the decoration.
SOLUTION: The pencil sharpener comprises a pencil sharpener body 1 having a recess decoration mount 4, the decoration 2 in which a picture, a pattern or the like is applied and which is detachably housed in the mount 4, and the transparent cover 3 covering the decoration 2 and similarly detachably mounted at the mount 4.
